Dear Sir or Madam;
RE: Sponsorship Request for the 6th Annual Wheels n Chrome Automotive Show

With the amazing success of our previous annual Wheels n Chrome Automotive Show, We are now preparing to host the 2017 event. We had admissions of nearly 700 people and over 90 vehicle entries for our past events. In previous years we had the pleasure of hosting several winners from the World of Wheels Show. We had Canadian artist Julian Austin as our headline musician. This year we plan on introducing more children's Activites to our event which we will be held June 16 and 17 2017.

We operate as a not for profit community organization which we distribute profits from our fundraising events,including the Wheels n Chrome Show to local community groups.

As the costs to hold an event of this caliber continue to rise, we once again are requesting your sponsorship. The levels of sponsorship are as follows, however we would greatly accept any contribution to the event:

- *Platinum-\$1000.00. Benefits include being tagged in every commercial aired by CKDM for the Wheels N Chrome event. Your logo will be incorporated in our brochure. You receive 2 exclusive weekend passes for free admission to all our events.
- *GOLD- \$500.00. benefits include radio commercials with CKDM,however your business will not be tagged in every commercial aired, Your logo will be in our brochure. You will receive 2 free weekend passes to the Wheels n Chrome show(which you pick up at door)
- *SILVER-\$250.00. Benefits include your logo in the brochure, as well as 4 weekend admissions to the car show.(which you pick up at door).
- *BRONZE-\$100.00. Benefits include incorporating your logo in our brochure and 2 free weekend admissions to the car show.(which you pick up at the door).

Thanking you in advance for your consideration, and do not hesitate to contact myself at 204.447.3207 (daytime) 204.447.2135 (answering machine) or email goolie@mymts.net if you have any additional questions or concerns.

Sincerely,

Warren Gulas
